Our decorators will have the dining room looking picture perfect with your choice of table cloth, chair cover, chair sash, and linen napkin. We will top every table with the centerpiece combination of your choice from our vast selection!

We cover every detail including seating chart board, cake table display options, card boxes, Mr and Mrs signs and many more.

Our bartenders will be on site and ready to serve your guests during cocktail hour while you and your bridal party take pictures! They will serve our Coke products and any alcohol you provide! We also include the tonic, soda, ginger ale, coffee, iced tea, and lemonade.

Our kitchen staff will prepare your dishes and keep them full during your dining experience. They will release tables to keep the line at a minimum and make sure everyone is accommodated. They will walk the dining room and take all of your dirty plates, cups and napkins to keep your area looking as beautiful as it was when the day began. At the end of the night, they will pack it all up and send it home with you! They will ensure that your cake and treats table is stocked and clean throughout your entire event.

When it's over, we will do all of the clean up! Let us do all the work!
You deserve to enjoy every minute of your big day!
